Client Brochure

Welcome. We're glad you're here.

New Hope Community Food Pantry's (NHCFP) mission is, "We seek to feed the hungry and share resources to improve the quality of life for those in need."

We are happy to provide an emergency food supply of 3-5 days' worth of food for your household. It is our pleasure to be of service to you for as long as you need us.

Clients who are not residents of the area served by NHCFP will be allowed to shop once and will be referred to a pantry serving their ZIP code.

What our clients can expect from NHCFP.

Clients will be provided the following food items based upon the USDA's Food Pyramid:

Grains: A minimum of 2 grain items per household. Typically bread, rice, or pasta

Vegetables: A minimum of 3 items per household. May be a combination of fresh, canned, or frozen.

Fruits: A minimum of 3 items per household. May be a combination of fresh, canned, or frozen.

Dairy: A minimum of 2 dairy items per household. May be milk, yogurt, or cheese.

Protein: A minimum of 2 items per household. May be a combination of fresh/frozen meat/fish and/or fresh eggs.

In 2013 New Hope Community Food Pantry served 11,386 people approximately 80 tons of food. Food insecurity is real, and you are not alone. We can help.
